Social skills and competences Good communicator. Endowed with the capacity of taking quick and good decisions. I am a dynamic person, flexible, with socializing skills and a great working power. I took part in the campaign „Marea debarasare” as a volunteer.

Organizational skills and competences	Strong developed team spirit. By means of the activities I carry on, teaching courses and seminars, my organizing capacity enabled me to integrate myself with no difficulty and help the students to acquire the knowledge they need in order to become future engineers. I got involved in most part of the activities developed by my faculty and my department. I organize since 2015 until present students conferences with the forestry topics.
Technical skills and competences	Member in AGIR, ANIFR and in ISWA. From 1998 to 2011 I took part in the implementation of ten national contracts of scientific research in the field of environment protection together with The National Council for Scientific Research from the Ministry of Education. I created a map with the pedo-hydro-ameliorative division for the territory of Bihor county, using the facilities offered by GIS through the program MapSys with the quantitative and qualitative highlighting of the soils and the surfaces that land themselves to sub-irrigation and drainage and respectively the surfaces that do not need such works. Conceiving and creating a complex computer program, named DrenSubIR, in Borland Delphi Pascal programming language, for the study of the characteristic parameters of horizontal drainage and for the automatic detecting of the distance between the drains.
Computer skills and competences	Very good knowledge of computer operating in different programs: word, excel, acces, SPSS, MapSys, Internet Explorer
Driving license	Yes, B category
Additional information	I love music, flowers and travelling.
